Dear Mr. Wood:

We thank you for your letter of the 16th and will be pleased to have Mr. Rollman stop to see you the next time he is in New York. It is a little difficult for us to say at this time just when he will make the next trip, but if this matter is very urgent please tell us and he probably will arrange to come over and at the same time look after some other business.

Very truly yours,

Gentlemen:

In reply to your letter of June 21st, would say that if you will have someone down here within the next three weeks at the most, it will be all right. The writer, however, is apt to be out-of-town Saturdays and Mondays.

Very truly yours,

Curator
